To Whom It May Concern,

We have been using Noreen at Gold Coast Nurse Professionals for a number of years to supply our staff with flu vaccinations.

The process with Noreen is seamless and cost effective for our firm. Our staff has found Noreen very pleasant and reassuring and she goes the extra mile each time to ensure that every individual is well informed, relaxed and comfortable with the process.

We have found also a marked decrease in staff time off over the flu season when the majority of staff take up the offer of the vaccination which they otherwise may not make time to do on their own.

Our firm would recommend Noreen without hesitation for the supply of vaccinations in the work place.

Yours faithfully
